Proposed resolutions

1. To accept the Year 2019 business report and financial statements

The Board of Directors proposes and recommends that each shareholder vote FOR the acceptance of the Year 2018 business report and financial statements.

Explanatory Notes:

- i. EMC's Year 2019 business report and financial statements, including balance sheet, income statement, statement of changes in shareholders' equity, and statement of cash flows, have been resolved to accept by the 11th board meeting of the 5th term, and have been examined by and determined to be correct and accurate by the Audit Committee of EMC. We thereby submit this report.
- ii. Please approve the aforesaid business report and financial statements

2. To approve the proposal for distribution of 2019 profits

The Board of Directors proposes and recommends that each shareholder vote FOR the distribution of 2019 profits.

Explanatory Notes:

- i. Cash dividends to common share-holders: Totaling NT\$1,918,248,384. Each common share holder will be entitled to receive a cash dividend of NT\$6.0 per share. The fractional dollar amount which is less than one New Taiwan Dollar, if there is any, will not be distributed and will be recognized by the company as other income.
- ii. After being approved at the Annual General Shareholders' Meeting, it is proposed that the Chairman of EMC be authorized to determine the record date and the payment date that the cash dividends will be distributed to common share holders.
- iii. Should EMC subsequently repurchase its common shares or issue new common shares according to Article 28-2 of the Security Act and other relevant regulations, the total number of common shares outstanding may change, and the ultimate cash to be distributed to each common share may need to be adjusted accordingly. It is proposed that the Chairman of EMC be authorized to adjust the cash to be distributed to each common share, based on the total amount of profits resolved to be distributed and the number of actual common shares outstanding on the record date for distribution.
- iv. Please approve the aforesaid proposal for the distribution of 2019 profits.

iv. Results of research and development:

New products successfully developed by the Company in 2019:

- 1. New eco-friendly laminates, consumed by PCB fabricators for the handheld devices, providing ultra-low signal loss
- 2. New eco-friendly laminates, consumed by PCB fabricators for the Fifth-Generation Wireless Communication (hereinafter referred as "5G") purpose, providing ultra-low signal loss
- 3. Antenna component material consumed by mmWave and Sub 6G
- 4. New eco-friendly laminates, consumed by 400/800 GHz high speed Switch

Embracing the upcoming of 5G era, the growing electrical characteristic from 5G handheld/server/base station/ networking has triggered strong demand for high-speed, high frequency and low signal loss laminates. Eco-friendly laminates consumed by 5G handheld is qualified, and aggressively promote 800GHz Switch, mmWave and Sub 6G laminates to customers. In order to fulfill customers need, the company will continuously endeavor itself both in high speed and high frequency laminates. EMC not only dedicates in high end eco-friendly laminates, but also shoulder social responsibilities by stick with halogen-free material to reduce the potential environmental impact.

II. Summary of Year 2020 business plan

- i. Planning of sales and production
 - a. Capacity expansion
 - b. Promote eco-friendly material, laminates
- c. Balancing sales and production, flexible inventory adjustment and activate cash management

ii. Operating strategy

a. To introduce eco-friendly materials for 5G infrastructure, and introduce HDI fabricating process to produce PCBs used for high speed, high frequency 5G equipment, datacenter and networking infrastructures. b. To maintain lion's share in high end HDI segment.

c. To develop laminates consumed by automotive vehicles.

iii. Sales volume target

a. Expected sales volume target:

Copper clad laminates (CCLs): 35 million sheets/year
Prepreg (PP): 700 thousand rolls/year
Mass Lam (M/L): 2 million panels/year

III. Effects from changes in competitions, regulations, and business environment on the future development strategy of the company

i. Priorities of the future development strategy of EMC:

- a. To develop varieties of base materials consumed by high-speed high-frequency laminates, in order to meet the rising demand from the proliferation of cloud services and edge computing infrastructure, and demand for the rollout of 5G network.
- b. To secure the leading position of EMC for materials consumed by HDI PCBs in the global market.
- c. To strengthen operating results by precisely executing the internal control policy and the management decisions.

ii. Effects from changes in competitions, regulations, and business environment:

Due to the outbreak of Coronavirus starting from January, the company and all sites have been strictly following the quarantine protocol to make sure that the company still operates on the track.

From the future perspective, the industry has been facing two key trends, 1. The global communication industry begins to upgrade from 4G to 5G, the spec requirement of high end laminates is higher and migration is faster than expected. 2. The demand for halogen-free keeps growing, on the back of severely environmental regulations. EMC maintains its global leading position in eco-friendly laminates, equipped with strong research and development along with market penetration capability, enabling the company to possess elements for further success.

The Independent Auditors' Report by KPMG – consolidated report

Independent Auditors' Report

To the Board of Directors of Elite Material Co., Ltd.:

Opinion

We have audited the consolidated financial statements of Elite Material Co., Ltd. and its subsidiaries ("the Group"), which comprise the consolidated statement of financial position as of December 31, 2019 and 2018, and the consolidated statement of comprehensive income, changes in equity and cash flows for the year ended December 31, 2019 and 2018, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at December 31, 2019 and 2018, and its consolidated financial performance and its consolidated cash flows for the year ended December 31, 2019 and 2018 in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the International Financial Reporting Standards ("IFRSs"), International Accounting Standards ("IASs"), Interpretations developed by the International Financial Reporting Interpretations Committee ("IFRIC") or the former Standing Interpretations Committee ("SIC") endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audit of the Consolidated financial statements as of and for the year ended December 31, 2019 in accordance with the Regulations Governing Auditing and Certification of Financial Statements by Certified Public Accountants, Rule No. 1090360805 issued by the Financial Supervisory Commission, and the auditing standards generally accepted in the Republic of China. Furthermore, we conducted our audit of the consolidated financial statements as of and for the year ended December 31, 2018 in accordance with the Regulations Governing Auditing and Certification of Financial Statements by Certified Public Accountants, and the auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Certified Public Accountants Code of Professional Ethics in Republic of China ("the Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

1. Revenue recognition

Please refer to Note 4(o) "Revenue" and Note 6(s) "Revenue" of the consolidated financial statements.

Description of key audit matter:

The recognition of revenue is based on the fact that the Group has transferred all its ownership and the significant risk of its products to the customers. The judgment on the arrival date of the products involves uncertainty under the FOB destination which is stated in the sales contracts between the Group and the customers. The Group still needs to take the risk of the products before they are delivered to customers.

Therefore, the recognition of revenue was considered to be one of the key audit matters in the audit.

How the matter was addressed in our audit:

In relation to the key audit matter above, we have performed certain key audit procedures that included: assessing the accounting policies on the recognition timing of sales revenue and the appropriateness of related internal controls; testing the effectiveness of implementation of internal control; performing cut-off test for recognition of revenue on the period before and after the reporting date to assess the rationality to the recognition timing of sales revenue.

2. Allowance for Inventory Valuation

Please refer to Note (4)(h) "Inventories" and Note (6)(f)" Inventories" of the consolidated financial statements

Description of key audit matter:

The printed circuit board and other electronic components are the major products of the Group. Inventories have specific life cycle due to their attributes. Apart from this, the Group prepared certain amounts of security stock to meet the delivery date required by the customers. Inventories are stated at the lower of cost or net realizable value. Consequently, there may be situations that the net realizable value of inventory will exceed its cost. In addition, the Group would purchase the materials in advance for the expected sales orders. The cancellation or the change of orders, and the change of the material used or quantities of the material may lead to product obsolescence. Therefore, the recognition on allowance for inventory valuation and obsolescence loss was considered to be one of the key audit matters in the audit.

How the matter was addressed in our audit:

In relation to the key audit matter above, we have performed certain key audit procedures that included: assessing the allowance for loss due to price decline, obsolete, and slow moving inventories to determine whether policy of the Group is applied; selecting samples to examine their net realizable values to verify the accuracy and completeness of inventory aging report; reassessing the accuracy of allowance for inventory valuation and obsolescence loss according to the Group's accounting policy; performing a retrospective review to evaluate the completeness of disclosure for allowance for inventories.

Other Matter

Elite Material Co., Ltd. has additionally prepared its parent company only financial statements as of and for the years ended December 31, 2019 and 2018, on which we have issued an unqualified opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Regulations Governing the Preparation of Financial Reports by Securities Issuers and IFRSs, IASs, interpretation as well as related guidance endorsed by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due
 to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence
 that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,
 forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the group financial statements. We are responsible for the direction, supervision and performance of the group audit.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Chung-Yi Chiang and Yi-Chun Chen.

Independent Auditors' Report

To the Board of Directors of ELITE MATERIAL CO., LTD.:

Opinion

We have audited the financial statements of ELITE MATERIAL CO., LTD. ("the Company"), which comprise the statement of financial position as of December 31, 2019 and 2018, and the statement of comprehensive income, changes in equity and cash flows for the years ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2019 and 2018, and its financial performance and its cash flows for the year ended December 31, 2019 and 2018 in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audit of the financial statements as of and for the year ended December 31, 2019 in accordance with the Regulations Governing Auditing and Certification of Financial Statements by Certified Public Accountants, Rule No. 1090360805 issued by the Financial Supervisory Commission, and the auditing standards generally accepted in the Republic of China.
